

Community Guard

# Exclusive opportunity for ACHCCS members

## What is Community Guard®?

Our innovative program provides voluntary non-profits and unions with flexible insurance solutions specifically designed to meet their unique needs.

Community Guard® provides the coverage you need and affordable coverage for liability, property damage and more!

Great news! The Co-operators continues to partner with the Atlantic Canada Health Care Coalition Society (ACHCCS) to offer you access to exceptional coverage, savings and exciting features and benefits, such as:

- Affordable, stable premiums: your Business insurance rates will never increase by more than 5% each year, if your coverage needs are the same and you have no claims.
- Accessibility: our specially trained Financial Advisors have expertise in insurance for voluntary non-profit organizations.
- Ongoing insurability: as your partner, we offer the added value of personalized risk management advice to help ensure your organization resiliency.
- Claims Guarantee: our one-of-a-kind claims guarantee offers no-obligation claims counselling.
- Service Review Panel: launched in 1990 to help resolve concerns. To date, we are the only insurance company in Canada who offers this service.

## Did you know

We have a quote success ratio of 78% for the ACHCCS Community Guard® program, which can save your members an average of \$2,000 per year!
