

Bell Atlantic Bargaining Bulletin

Dear Members,

Last week, the UACL team engaged in contract negotiations with Bell, covering a lot of ground. Unifor and the Company reached agreement on many housekeeping items.

Our primary focus remains securing a strong collective agreement that will protect jobs in our region for the next generation of telecom workers. In order to reach that goal, we will continue to mobilize in our workplaces and show a united front to the Company.

Thank you for your support and solidarity. Your bargaining committee will continue to communicate updates throughout the negotiations, including mobilization and solidarity actions in the coming weeks.

In solidarity,

Bell Atlantic Bargaining Committee
